Location: Mitchell Park, 3800 Middlefield Road, Palo Alto, CA 94306

Others

- Articles for Emerging Technology Briefing

TITA-SV plans to publish Emerging Technology Briefing (ETB). Each ETB will introduce an emerging technology. There is no limitation on the subject. The length is preferably between 100 to 200 words. If you are interested in writing a briefing, please contact Steve Chen at schen52@yahoo.com.
- Web Sites

TITA-SV activities are shown on the websites of South Bay Taiwanese Association (www.sbta.8m.com) and North America Taiwanese Engineers' Association (www.natea.org).

Previous Activities

- TITA-SV Monthly Seminar (3/12/2003)

Over 55 guests attended our first TITA-SV Monthly Seminar presented by Dr. Joseph Yang, Director of Science Division, Taipei Economic and Cultural Office in SF. Dr. Yang spoke on “Technology Trends and Investment Opportunities in Taiwan” and we are very pleased and encouraged by the large turnout and lively discussion. Thank you to all who attended. We hope to see you at our next TITA-SV Monthly Seminar.

Feedback and Suggestions

If you have any suggestions or feedback, please contact Eugene Yeh (peacetw@sbcglobal.net) or any board member.
